HATHAWAY, assisted by competent and experienced
teachers, will open his school again on Monday,
February 2nd.
The system of instruction is such that fewer or less
time is required for the education of the student. The lesson
and the soul are around and inspired with a seal for high
and importance with a sense of moral and spiritual
and what are the great objects and real move-
ments of life.
Students is taught how to organize his facilities in think-
ing—make his mind healthy; how to make his body
strong—make sure of his health; how to make his
spiritual life strong—make sure of his soul.

Piano Forte Manufacturers

C. KNAUER, 605.

Piano Manufacturers, Ltd. A 125 N. Clark St.

ANNOUNCE to the inhabitants of Chicago and the surrounding country, that they have been engaged in the manufacture of pianos and organs, and other musical instruments in Europe, and their senior partners have been some years in the music business in Germany, and are prepared to meet all requirements of the market. They have adopted improved principles, as every branch of the trade has done, and composed at their factory, and on the latest and most approved principles.

They have the strongest confidence in the durability of their pianos, and guaranteeing perfection in every department of the instrument, and are anxious to have it to be in every particular according to representation.

MARSH & SON having had a considerable number of inquiries in regard to their pianos, and all of which have given the utmost satisfaction, would like to call attention to the new model, which is intended in respect to their piano, and are pleased to offer at the low price of \$150.00, grand pianos, on sale at J. F. P. Marshall & Son's factory.
